

WLS-16

Water Leak Sensor Series

Living Worried-free, Without Water trouble

The WLS-16 series of wireless water leak sensor is designed to alert you before the disaster happens and helps to reduce the risk of water damage. It is a perfect solution of monitoring water leaks in basement, garage, bathroom and kitchen or any place water leakage might occur. The WLS-16 can also connect with additional extendable detection cables for different applications and needs. Completely wireless, WLS-16 can be easily install anywhere needed and provide you with a peace of mind.

WLS-16 series adopts Climax's cutting-edge F1 RF technology to accelerate the speed of signal transmission and deliver extensive RF communication range and also reduces power consumption. WLS-16 series is compatible with Climax's F1 Control Panels and can be flexibly programmed with different rules and conditions to make your home a much safer place to live.

Features

- Smart water leakage detection for wall mount
- Optional extendable water detection cables for different applications and needs
- An alarm signal will be transmitted to the control panel when water is detected
- F1 RF technology accelerate the speed of signal transmission, boosts communication range and reduces power consumption
- Long battery life
- LED indicator
- Low battery detection
- Compatible with Climax F1 Control Panels
- Regular supervision signals to check system integrity
- Complied with CE requirements

Specifications

Frequency	433 MHz / 868MHz
Power Source	3V, CR123 Lithium battery x 1
Battery Life	10 years*
Probe Cable Length	30cm
Operating Temperature	-10°C to 45°C (14°F to 113°F)
Operating Humidity	Up to 85% non-condensing
Dimensions	WLS-16 with screw design: 93mm x 31mm x 22.55mm WLS-16R3 with clasp hook design: 86.7mm x 31mm x 22.55mm

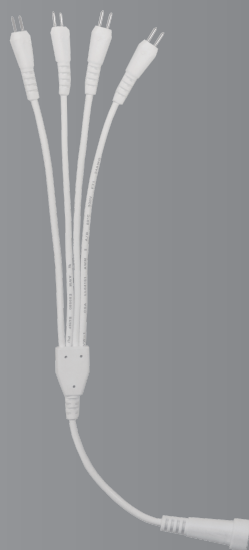

* Note: Actual battery life may vary with product settings, operating environment, and usage.

WLS-16 Water Leak Sensor Series

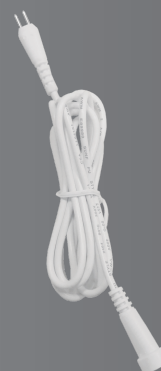

Optional Water Extension Cable

WEF-19
19cm

WE4-33
33cm x 4

WE1-180
180cm

Applications

(A)

(B)

(C)

Ordering Information

WLS-16	Water Leak Sensor (with screw design)
WLS-16R3	Water Leak Sensor (with clasp hook design)
